Ayr High's 'Voices of the Future'

by Mrs Linda Attard, English Teacher and Competition Co-ordinator

Courage, conviction and passion. This is what it takes to be a public speaker. This is what 23 of our students, ranging from Year 7 through to Year 12, delivered in their speeches on the evenings of Monday 31 May and Tuesday 1 June. And this is what an auditorium packed with proud parents, staff, fellow students and members of the community had the pleasure and privilege to witness.

Once again, Ayr High hosted our own public speaking competition in lieu of the cancelled 2021 Rostrum Voice of Youth statewide event.

Each student spoke convincingly and conveyed their informed opinions on a range of topics including, 'Worth the Trouble', 'A Dangerous Trend' and 'About Time'.

LtoR: Brooklyn Ivory, Xavier Wood, Mikayla McDonnell, Ayden Barnett

We would like to sincerely thank Burdekin Rostrum Club members who kindly volunteered their time to take on the roles of Chair, Adjudication and Time Keeping duties, as well as providing students with some invaluable feedback at the end of each night. The judges were faced with a very difficult task, as the speeches on both nights were exceptional. The high calibre of each student's delivery was evident in the quality and material of the speeches that stirred the audience's passion. Mikayla McDonnell (Year 9) was awarded winner of the Junior division, with Ayden Barnett (Year 7) being announced as runner-up. In the Senior section, Xavier Wood (Year 10) took out the title of winner, with Brooklyn Ivory (Year 12) receiving the runner-up medallion.

The camaraderie of students was very special and it was great to see so many come along and support our competitors. I encourage any student who is looking for an opportunity to build confidence in public speaking, to sign up for our speaking competition next year. These skills will stay with them for the rest of their lives; whatever vocation they choose to pursue, they will be able to call upon the skills they have developed.

All students who participated in the competition are to be congratulated as they did themselves, their families and their school, very proud. It was an honour to witness such a talented group of students who, without a doubt, are our 'Voices of the Future'.

Back: Giselle Le Feuvre, Grace Bach, Lucas Donovan, Eddie Jones, Xavier Wood, Steven Abraham
Front: Caitlyn Cheyne, Brayden Becke, Hunter, Ayden Barnett, Chelsea Scalia
Absent: Sarah

Back: Kyle Magatelli, Georgia Tomasetig, Mikayla McDonnell, Brooklyn Ivory, Mahala Thorne, Chloe Hook
Front: Jack Parker, Ashlee, Lauren Raitelli, Sophie Robertson, Sienna Olsen

From the Principal

by Mr Craig Whittred, Principal
Editorial - Newsletter No. 6 11/06/2021

As we come towards the end of Semester 1, many students are working hard to complete assessments across a range of subjects. This is a very busy time and I encourage all students to plan out their time, especially over this weekend, to ensure you are prepared to give your Personal Best to all of your assessment tasks and tests.

Over the last two weeks, students have been engaging with the Queensland Engagement and Wellbeing Survey. This is an online survey that we have been invited to engage our students with, by the Department of Education. This survey will give us important feedback from students about their engagement with school and their wellbeing. The data that we receive from this survey will inform a number of areas within our school but most directly; our Student Learning and Wellbeing Framework. This will help our school to better respond to student's wellbeing needs and create ways that improve engagement and overall outcomes for all of our students. The survey results will be shared with us in early August and I will share details around the findings at that time. Last night, the 2021 Interschool Drama

Festival was held. After missing out in 2020, it was fantastic to see this night back on the school calendar. Once again, our students put together an outstanding performance (the best on the night I feel) and did our school proud. A big congratulations to all students involved and to Mr Pickersgill for supporting the students. Bring on the Musical!!

Today, we had our Year 10 Careers day. This event is held in partnership with Home Hill State High School and enables all Year 10 students to engage with a wide range of employers including Wilmar, Burdekin Shire Council, Australian Defence Force, Emergency Services and other local employers, covering a wide range of careers in Childcare, Retail, Hairdressing and Beauty, and Agriculture. There were also representatives from JCU and TAFE. This year's event was opened by Member for Burdekin, Mr Dale Last, and is an important opportunity for students to talk to representatives about careers and study which will help them as they progress into Senior Schooling and beyond. I would like to thank all presenters for supporting the youth of the Burdekin, as well as thank Mrs Sarah Matthews and Mrs Tanya

Welcome to Ayr State High School

Our school acknowledges the Traditional Owners of this land. Today, they are still the custodians of the cultural heritage of this land. Further to this, our school acknowledges there are other Aboriginal, Torres Strait Islander and South Sea Island people who have lived, worked and contributed to the cultural heritage of our community.

Munro, the Guidance Officers from our two schools, for organising the event. Finally, the crushing has started again and Wilmar wants us all to stay safe and use our 'Train Brain'. We can do this by staying alert, obeying signs and signals at cane railway crossings, keeping off cane bins and cane railway tracks - especially bridges, and always give way to cane trains. Cane trains operate 24 hours a day, seven days a week during the crushing season. A cane train hauling full cane bins can take up to one kilometre to stop after brakes are applied. Unlike cars or bikes, cane trains can't swerve if someone or something is in its way. So, let's use our 'Train Brains' and stay safe this crushing season. Yours in education

Craig Whittred
Principal

From the Deputy Principal

by Ms D'Ilario, Deputy Principal - Junior Secondary

Talk about hectic! This term seems to have flown by!

Over the past two weeks, Mr Whittred, Mr Flynn and myself have been visiting classrooms and asking students about their learning. We have been impressed with student responses and their positive attitude towards their education. The information we gather will be collated, shared with staff, and inform the next steps in our pedagogical journey as we remain steadfast in our commitment to the success of every student, every day.

With only two weeks to go, there are still so many events on our calendar- events which contribute to our vibrant school community. Since the last Ayring, we have had the Year 9 Camp at Magnetic Island that, by all accounts, was pretty a-maz-ing. We've also had the Voices of the Future speaking competition whose orators were impressive, to say the least. Next week, some of our Year 9 students will be involved in the QMEA's Beakers, Bots and Build activities. Then, in Week 10, our Year 7 students and LIP Leaders will be off to Alva Beach to celebrate their transition to high school. And this doesn't include all the other events we have had at school, and after school! These events are possible because of the commitment and dedication of our staff who are willing to go that extra mile for our students. I encourage all students to take advantage of the opportunities our school offers. We are so very fortunate to have such a wonderful community of staff, parents, carers and students who contribute to the plethora of opportunities we offer at Ayr High.

SUCCESS
Every Student,
Every Day

Semester 1 Reporting

by Mr Kerry Flynn,
Deputy Principal

Most senior students have completed their assessment for this term and are starting on the next topics in their subjects. Students in Years 7 - 10 are still completing assessment up to the end of Week 9. Reports will be completed by staff and handed to students on Monday 19 July (Week 2, Term 3). Learning Conversations will occur on Monday 26 July (Week, 3 Term 3) and the booking process will be similar to the successful conversation evening held earlier this term.

Ayr SHS Positive Behaviour System - Reboot

by Ms Courtney Carrigan, PBL Committee

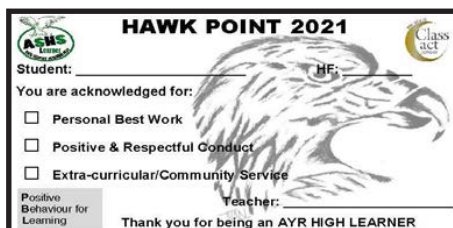

Ayr SHS is a Positive Behaviour for Learning (PBL) school. It is a framework that provides a consistent whole school approach to promote positive behaviours and to improve student academic and behavioural outcomes. This term, our PBL committee have been working to improve our positive behaviour system with a focus on the way Hawk Points are used. The aim is to embed this updated system in Term 3. Our current system is focused on the 'individual' student and on receiving 'rewards', whereas this reboot focuses on the whole school as a community/family and on acknowledging our values.

New 'Acknowledgement' System:

- a move away from 'rewards' to 'acknowledgement' - specifically focusing on the positive things our students do, so they will continue to do them because they link to good values (which is what we want our students to have/demonstrate and not because they might get a reward for doing something).
- fostering good values in our students and aligning our PBL framework to our school values - building on our positive culture of belonging, connectedness and being a part of our 'Ayr High Family' - having a community focus rather than an individual focus.
- wanting students to find/develop intrinsic motivation rather than extrinsic. "When the rewards stop, people usually return to the way they acted before the program began" (Alfie Kohn, 1994).
- using Hawk Points in a meaningful and authentic manner - teachers having a specific focus for their classroom, using Hawk Points as a recognition for something done/achieved and informing students why they are receiving a Hawk Point.
- the removal of Term 'Rewards' boxes/prizes from our system - this focused solely on the individual and an element of 'luck' was needed to win a prize.
- the introduction of the Acknowledgement Box - a whole school approach to meet targets that will be actioned/celebrated by the entire student body (aligns to our values of 'Ayr High Family'); students will have a greater voice to express their ideas and select the targets on the box.

Redesign of Hawk Point:

- our Hawk Point has been redesigned to reflect these changes. It focuses on acknowledging students for:
 - Personal Best Work i.e. putting in 110% effort, completing all/specific class work to best of ability.
 - Positive & Respectful Conduct i.e. followed entry routines, assisting another student/staff/community member in a positive manner, acting with integrity
 - Extra-curricular/Community Service i.e. attending ANZAC service/s, volunteering to coach/referee school sport, Interact food stall helper at our Interhouse Carnivals.

Rollout of this System:

- Teaching staff have received information about the changes and have had opportunities to consider how they will adopt these changes into their practice.
- Students had the opportunity to attend a session earlier in the Term to hear ideas and voice their thoughts.
- Students were informed that changes are occurring on whole school assembly in Week 7.
- All students will receive specific details of the changes to this system in week 8 and 9 in Wellbeing, HPE and AWP lessons.
- Students will have the opportunity to complete a survey in week 9/10 to select targets for the Acknowledgement Box.

We look forward to continuing to build our positive culture within the school and making sure we all feel like we belong to the 'Ayr High Family'.

Northern (NQ Selections)

by Ms Courtney Carrigan,
Sports Co-ordinator

Congratulations to the following students who have been recently selected in Northern (NQ) squads:

- Milla Arboit - 12 Yrs Girls Football (soccer)
- Brody Hughes - 12 Yrs Boys Football (soccer)
- Damon Pitcher - Cross Country

Special mention to Jared Poletti who narrowly missed selection in Cross Country with a 7th placing (the top 6 make the squad).

These students will attend State Championships in late July. Well done and good luck!

Milla Arboit

Brody Hughes

Damon Pitcher

Interhouse Athletics Carnival

3000 m - Mon 19 July

Musical Update

by Ms Courtney Carrigan, HOD - HPE, The Arts and LOTE

There are only 12 weeks left until MUSICAL WEEK! Our students and staff have been busily rehearsing this Term and are well ahead of schedule. A large number of students have learnt their dances and songs with all songs having been rehearsed at least once with Mr Phillips. This has made students more confident with their singing, especially during the dance rehearsals. Chorus members have learnt most of the major chorus dance routines and are busy polishing them to the Ayr High standard. Blocking of the leads in scenes is going well, with the leads learning their lines and some are even off script already! The leads have also been working with Maddi Hoskins (Ayr High's Artist in Residence) to improve their vocals. The band, under the guidance of Mr Phillips and Monica Licciardello, have started their own versions of rocking out and are sounding awesome. This is an awesome effort by all students - keep up the great work at rehearsals.

Ayr State High School Presents

ROCK AGES

HIGH SCHOOL EDITION TM

Book by Chris D'Arienzo

Arrangements and Orchestrations by Ethan Popp

Artwork designed by AKA NYC

By Arrangement with ORiGiNTM Theatrical
on behalf of Samuel French, Inc.

Big dreams, big hair, and big rock classics combine in this high energy production. A small-town girl and a city boy meet on Sunset Strip whilst pursuing Hollywood stardom. Featuring hits from the biggest bands of the 80s, *Rock of Ages* will have audiences singing, dancing and rockin' in the aisles!

Child Under 12 - \$28.00

Concession - \$28.00

Friends of the Burdekin Theatre - \$27.00
(must be booked in person at the Burdekin Theatre Box Office)

Family Pass (2 Adults, 2 Children) - \$120.00

Group 10+ - \$35.00 per person

Year 9 Camp

by Mrs Allyce Becke, Year 9 Co-ordinator

On Monday 25 May, 75 Year 9 students met up early at the MPS ready to head off to Magnetic Island for the annual Year 9 Action Camp. The aim of the camp is to assist Year 9 students to build skills such as resilience, teamwork, social connections, leadership and complete a range of activities that challenge students both mentally and physically. The camp was held at Apex Camp at Picnic Bay and we were blessed with fantastic weather and very keen and enthusiastic students. Students participated in tarp wars, run the gauntlet, fort walks, beach activities, gel blasters, laser tag, water games, target archery and night time activities. From this, house points were awarded throughout the camp, going towards House Champion of Year 9 Camp. Staff were thoroughly impressed with the attitude that students showed towards participation in all aspects of the camp.

Thank you to all the staff who contributed to the camp, and the students who gave 100%. Congratulations to Banks who were the house to take out the trophy this year.

Shave a Success!

by Mrs Nyree Woods, Teacher

On Friday 21 May, Year 12 boys Mayson Bengoa, Luke Prior and William Hawkins shaved their heads at the first of five Ayr High events, fundraising for the World's Greatest Shave!

On the MPS stage, auctioneer Kyle Magatelli auctioned off the clippers to the highest bidder, winning the right to shave each of the boys' heads.

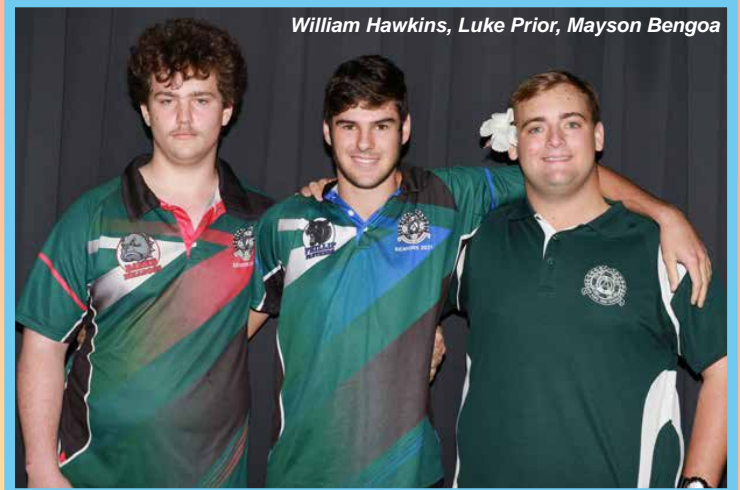

Auction results:

Shaving William's hair: Mrs Woods, winning bid = \$20

Shaving Mayson's hair: Mrs Buffa, winning bid = \$50

Shaving Luke's hair: Jd Wilkins, winning bid = \$50

The phenomenal day saw the Ayr High Family raise over \$200 for the Leukemia Foundation, made up of donations, the purchase of wax strips and the success of the shave auction.

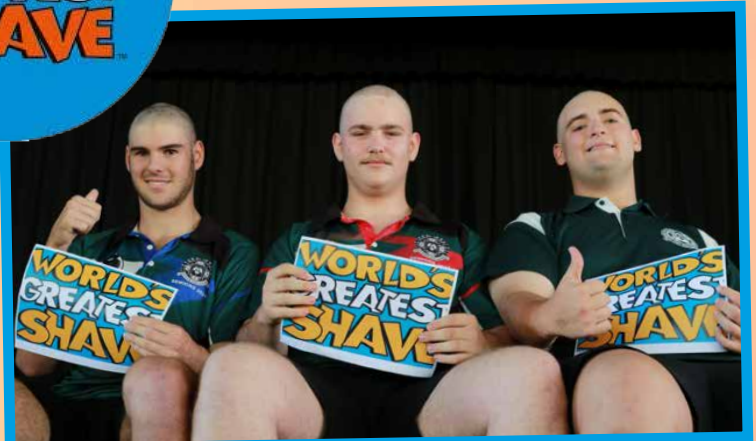

William Hawkins, Luke Prior, Mayson Bengoa

The dates for the next four World's Greatest Shave events at Ayr High are as follows:

- 24 June - staff member and former student, Miss Alix Leckenby.
- 13 August - Year 12 students, Jd Wilkins, Kyle Magatelli, Sam Vaevae Pare and Lachlan Wellington.
- 5 November - Year 12 students, Connor Brown, Thomas Shepherd and Matthew Walker.
- 29 November - Year 12 students, Lucy Creek and Paige Fraser.

Everyone involved is, as always, so proud and grateful for the generosity of the Ayr High Family! If you would like to make a donation to our team, search "Ayr High Hawks" on the World's Greatest Shave website!

Burdekin Junior Eisteddfod Wrap-Up

by Mr James Phillips, Music Teacher and Lauren Raitelli, Cultural Vice Captain

On Monday 10 and Tuesday 11 May, our Concert Band, Mixed Ensemble Group, Choir and Year 12 Vocal group participated in the Burdekin Eisteddfod. After months of preparation and two intense days working with our guest conductors at the Burdekin Singers' Lighthouse at our Music Camp; the blood, sweat and tears all paid off with the students giving some exceptional performances that were well received in the community. Our Concert Band and Mixed Ensemble Group led the charge for Ayr High on Monday 10 May, serenading the audience with some beautiful pieces and being awarded first in both of their sections. The Choir and Year 12 Vocal Ensemble performed on Tuesday with a range of pieces from *I See Fire* and *Photograph* by Ed Sheeran to *I've Got the Music in Me*. The students proved that they did in fact 'have the music' in themselves, with the Year 12 Vocal Ensemble being awarded first and the choir just slipping through by one point to be awarded first in the Choral Part section and second in the Choral Unison section.

While the amount of time and effort being put into our music performance by students in the instrumental and choral program was exceptional - many of these same students also entered individual performances into the Eisteddfod. Some of our senior students had more than five performances across the music side of the Eisteddfod and there were many (too many to name) that were awarded places in their sections. There are two students who were presented with special awards on behalf of the Eisteddfod. Hunter in Year 7 was awarded the Lions Club of Ayr Junior Vocal Award and Cecilia Cason was awarded the Burdekin Brass Band Brass/Woodwind Award.

Special thanks to our Music Support Group who continue to support the Music program at Ayr High through their weekly Bingo on Saturdays, which flowed onto financial support of the Music Camp and cleaning of performance uniforms. All of the lovely performances by students is supported by the MSG in the background. Special thanks also to Cultural Vice-Captain, Lauren Raitelli, who goes above and beyond to support her fellow students and ensuring that everyone feels welcome in our choir and concert band. Thanks to Ms Anna D'Illario and Ms Courtney Carrigan for supporting the Eisteddfod and allowing our students a fantastic opportunity to perform.

Hunter and Cecilia Cason

Well Done!

Interact Assist at the Norm Perry Annual Duck Race

by Jorja Ruskin, Year 11 Student

On Sunday 23 May, several Ayr High Interact students volunteered at the Rotary Club's annual Norm Perry Annual Duck Race at Plantation Park. These students used their artistic skills to help face paint. A few face portraits of turtles, sharks, rainbows, unicorns and a few questionable ducks were seen around the park. As the students started to paint faces, they each found which type of animal they were more confident in painting. As the egg and spoon and sack race started, the Ayr High students who weren't painting helped set up the races and handed out prizes to children who got into the top three. Mrs Woods enjoyed her sausage on bread while the Ayr High students got a surprise visit from local police officers passing through, wanting to get their face painted as well. The Ayr High Interact Club purchased two ducks this year, and while they put up a good fight, they did not manage to place in the race. Some believe they are still treading their way down to Plantation Creek. A big thank you to the Rotary Club for supplying the paint, the students who volunteered their time and Mrs Woods for encouraging us to bring out our inner DaVinci.

Crushing time is on again

Use your train brain

- Stay alert
- Obey the signs
- Always give way to cane trains

wilmar

Jumpers for the Cooler Months

As we head into the cooler months, students will want to keep warm. The school jumper has been endorsed by the P&C and is the only acceptable jumper. Jumpers with the school logo can be purchased for \$30 from the school office.

This information can be found in the Student and Parent/Carer Handbook 2021 and is available at the office or on our website.

Ayr High Hawks finish the School Rugby League Season in style

by Mr Andrew Ballin, Coach

Thursday of week 7 was another busy day for several of our Ayr High Hawks. Ten of our current players were invited to attend a Cowboys function with Michael Morgan, current Cowboys player Ben Condon and football manager Peter Luck, hosted by Don West Toyota. Our students not only got to hear from the players about their own Rugby League journey, but also find out about the commitments of training and playing elite level sport and the other life decisions that need to be made along the way. It was a great opportunity and we would like to thank the Cowboys and their major sponsors Toyota, for hosting the event.

In the afternoon, an old rivalry was ignited, as many will remember the strength of Bowen High in the schools competition in years gone by. Bowen offered to bring an U16 side to play Ayr High, after the Hawks won a clean sweep in the district High School Rugby League competition earlier in the year.

The boys had trained really well leading up to the game, which in itself was a great achievement as the team was made up of a new combination of players with some seasoned club players and quite a number of players who had not played before.

From kick off, the Hawks built pressure early and were rewarded with Jesse Ballin sliding through to score the opening try. From then on, the Hawks' forwards put on a dominant display through Logan Chapman, Joeziah, Zack Chellis, Jordan Taylor and Adam Prior who all caused headaches for the opposition pack. This laid the perfect platform for half-back Jesse Ballin to guide the team to a very convincing 54-4 win. Highlights included a double to 5/8 Lama Ghee after some great hole running and also kick-chase pressure to pounce on a loose ball to crash over for his second. Adam Prior also ran the length of the field from a kick-off reception to score in his first

Rugby League try. Meleik enjoyed the dominance over his former team with some big efforts, Bailey Parker was impeccable at fullback and proved too hard to handle on numerous occasions. Geoffrey Terare, Brody Ferguson and Kane Batchelor were absolutely solid as experienced club players. Jack Shears was faultless in defence out wide on much bigger players and Lukas Hartley proved again that he has a ton of heart. Every one of the Ayr High players produced the commitment and passion the Hawks have become noted for. Congratulations boys on a great performance.

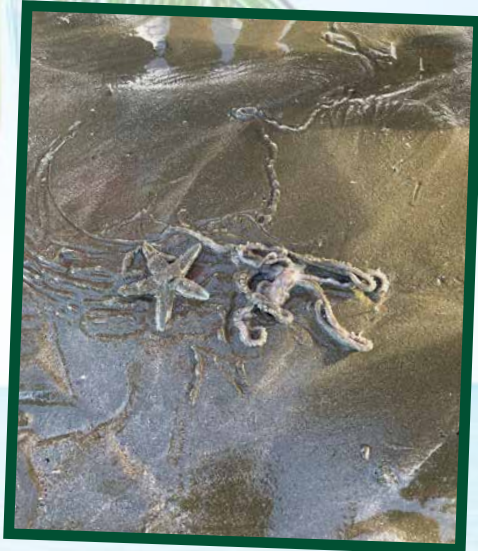

We would like to thank Bowen for making the trip to come and play, and for showing the grit to continue competing on a challenging afternoon for them.

Biology Camp

by Mrs Brock's Class

It's back, the Senior Biology Camp! On Sunday 23 May through to Tuesday 25, our Year 12 Biology enthusiasts crammed themselves and all the food, clothing and camping gear into the two Burdekin School buses for a trip to Cape Hillsborough National Park. Mrs Brock led the way, ably assisted by Mr Vickers, and after four hours of awesome singing pumping from both buses, arrived at the camp sites. Setting up of tents was speedy and impressive and in no time the group was ascending the mountain to observe ecological phenomena and experience the thrills of spear grass and insects. Although the biology studies on the struggling coral reef, rainforest, vine forests and mangrove areas were interesting, it was more the experiences of rock climbing, night walks, camp fires, social interactions and dealing with flooded tents that will be memorable.

National Reconciliation Day

Theme: More than a word

by Mrs Ollie Henaway, Community Education Counsellor

National Reconciliation Week is intended to celebrate Aboriginal and Torres Strait Islander history and culture in Australia and foster reconciliation discussion and activities. NRW is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can contribute to achieving reconciliation in Australia.

In Week 7, Ayr High recognised National Reconciliation Week 2021 by having Jasyti Tallis, Indigenous Vice Captain, and Chelsea Ravizza, Community Services Vice Captain, speak to the whole school parade about what Reconciliation is all about.

A sausage sizzle was enjoyed by all students and staff. Aunty Bernice Zaro was in charge of face painting. We also showed a video of Archie Roach's storyline of his famous song *Took the Children Away*.

Everyone had a great time.

Year 11 Certificate III in Fitness Community Partnership

by Miss Deni Caspanello, HPE Teacher

Ayr State High School is currently partnering with Burdekin Snap Fitness. A personal trainer is mentoring/training the Year 11 Certificate III in Fitness students. Each week students attend the gym, participating in workouts and learning how to correctly use fitness equipment.

Burdekin Snap Fitness has provided the students with shirts, towels and free staffed hour memberships. We thank them for this opportunity and look forward to a productive partnership.

Former School Captain Returns to Ayr High

by Mr Kerry Flynn, Deputy Principal

Ian Doyle, school captain from the class of 1971, recently returned to Ayr High to talk to some of our Year 11 and 12 students about the Hawker Scholarship opportunity for students wishing to attend university. Ian's presentation was inspirational as he talked about his post-school journey and the various careers he has had. He also spoke passionately about the Hawker Scholarship in honour of a great Australian, Charles Hawker.

Absentee Hotline

4790 4353

If your child is away either:

- phone the hotline - if unanswered please leave a message with reason for child's absence,
- respond to school text message or
- hand in a note, on return, to Ms Land at the office.

Student Absences Text Service

To advise the school of the reason for your child's absence, please send a text to the following number:

Instrumental Music and Choir Update

by Ms Anna D'Ilario, Deputy Principal

They're here! Our Instrumental Music and Choir shirts have finally arrived! And don't they look awesome! Conceived by one of our previous Cultural Captains, Keegan Flynn, the shirts have been more than 18 months in the making. Students will be able to wear their shirts to school every Wednesday, as well as to scheduled performances. Spare shirts are also available for instrumental and choir performers. Currently, students are working on their repertoire for the upcoming Burdekin Arts Festival. Ms Maddi Hoskins and Mr Phillips continue to work with the choir, whilst Ms Hueber has the concert band in hand. Students will be very busy indeed as they prepare for the festival whilst also rehearsing for the musical. Many thanks to our Musical Support Group for subsidising the costs of shirts to students.

SURF LIFE SAVING QUEENSLAND

little lifesavers

Little Lifesavers is a program where highly skilled lifesavers introduce children to board paddling, wading, dolphin diving, beach sprints, flags, rescue techniques, patient care and CPR.

\$160pp*

All participants receive a long sleeve rash shirt, activity book, water bottle and wet bag.

*Includes return ferry tickets for the participants. QGOV FairPlay Voucher can be used with this program.
